

American Revolution Review

- **French and Indian War:** resulted in an English victory and caused the English to look for ways to pay for the war
- **Taxes:** King George III taxed the colonies to pay for the war
- **No taxation without representation:** colonists had no say in Parliament but were taxed like the English living in England
- **Examples of Acts/Taxes:** Stamp Act, Townsend Duties, Tea Tax, Intolerable Acts, Quartering Act, the Port of Boston Act
- **Examples of Incidents/Events:** Boston Massacre, Tea Party
- **Declaration of Independence:** Jefferson was inspired by Locke
- **American Revolution:** American were victorious and had help from the French
- **The American Government:** heavily influenced by the Enlightenment, Constitution outlined government, and Bill of Rights limited government and protected people's rights
