

Causes of World War II Mind Map

Directions

1. Create a mind map on the causes of World War II. For each cause, write 1) a description of the cause and 2) how that cause led to World War II. Use **one color for the description of the cause and a second color for the explanation of HOW the cause it led to World War II.**
2. In a **third color**, add a **relevant image or memory clue** for each of the major causes of World War II.
3. In the center circle, write at least 3-4 complete sentences using specific evidence to answer the question **“What were the causes of World War II?”**
