Adriatic Sea

**Cities:**

***Put a dot where the city is located***  
Paris  
Versailles  
Moscow  
London  
Vienna  
Berlin

### Step 2:

Shade in the area that Napoleon controlled

Use 1 color to shade in the French Empire

Use another color to shade in the other area he controlled

### Step 3:

Plot and label the following battles & events...

1. The British Blockade/Continental System
2. Peninsula War (All Battles fought in Spain)
  - Draw a line from France through Spain
3. Plot the Russian Campaign
  - Draw a line from to Moscow
4. Battle of Waterloo

### Step 4:

In the left hand margin, write the significance of each battle/ event in the war (in chronological order)

**This must be in your own words!**

ex. The British Blockade/Continental system is significant because...

### Step 5:

Create a key/legend for everything you labeled or color coded and place it in the box on the map.

---

### Step 6:

In the bottom margin answer the following question:

After completing the map what can you infer about Napoleon as a leader?
