

## World History Second Semester Final Study Guide

### Directions:

Review the assigned pages in the *Modern History: Patterns of Interaction* textbook and your notes. Answer everything on a separate piece of paper. All answers must be arrived at independently, written completely in your own words, and be written in terms you understand. Make sure your answers are labeled and numbered the same as the study guide and are handwritten. For “**Key Terms, People, Concepts,**” write a brief description in your own words including the most important information and the significance. For “**Essential Questions,**” write your answer in your own words using 1-2 complete sentences. You should be able to understand your answer without rereading the question.
